- Remove other DVD restrictions like CSS, APS, ARccOS, RC, etc. from Cinavia protected DVD content.
- Copy and back up Cinavia DVD content at 6X higher speed due to support of GPU acceleration technologies.

How to Purchase and Register Leawo DVD Cinavia Removal

Packed in Leawo Prof. Media, Leawo DVD Cinavia Removal provides both free trial version and registered version. Within the free trial period (30 days), you could freely copy and back up the first 5-minute Cinavia-protected DVD content to Cinavia-free DVD content. The free trial version couldn't copy and back up entire Cinavia-protected DVD content, while the registered version has no limit.

To unblock the limitations of free trial version of Leawo DVD Cinavia Removal, you need to upgrade to its registered version. The registered version requires purchasing license code, which is available in 1-Year and Lifetime types. The below content describes how to purchase and activate license of Leawo DVD Cinavia Removal in detail.

How to purchase license of Leawo DVD Cinavia Removal

Leawo DVD Cinavia Removal provides 2 types of license: 1-year license and lifetime license, which differs from each other in validity period only. You could purchase Leawo DVD Cinavia Removal from both Leawo DVD Cinavia Removal website page and Leawo Prof. Media program:

- On <u>Leawo DVD Cinavia Removal page</u>: Click the "Buy Now" button and then on the following popup purchase page choose either 1-Year or Lifetime type of license before clicking the "Check Out Now" button. On the order page, complete the billing information and payment information to proceed the purchase. Once the purchase is complete, purchased license code will be sent to you via your registered email in no time.
- On Leawo Prof. Media program interface: Click the "Activation center" icon to call out the "Activation Center" interface, where you could see DVD Cinavia Removal module. Click the "Purchase" button next to the DVD Cinavia Removal module to open the Leawo DVD Cinavia Removal purchase page and purchase license of Leawo DVD Cinavia Removal.
- If you have already activated Leawo DVD Cinavia Removal module, you could then renew its validity by purchasing a renewal license code, which costs you much less. You then the "Renew" button next to DVD Cinavia Removal module to purchase renewal license code.

How to Use Leawo DVD Cinavia Removal - Remove

Cinavia from DVD for Backup

Leawo DVD Cinavia Removal offers you the best solution to remove Cinavia watermark from DVD disc, folder and ISO image files, and copy Cinavia-protected DVD content to Cinavia-free DVD disc, folder and/or ISO image file. The below guide would show you how to copy Cinavia-protected DVD content to Cinavia-free DVD with Leawo DVD Cinavia Removal in detail.

To get started, you need to get the below things well prepared:

- Source DVD content in disc, folder or ISO image file format with Cinavia watermark protection.
- Blank writable DVD disc if you want to copy Cinavia-protected DVD content to DVD disc.
- DVD drive that's connected to your computer for copying DVD disc and getting DVD disc copies.
- Enough hard drive space for processing Cinavia-protected DVD backup.
- Internet connection.

You also need to download and install <u>Leawo Prof. Media</u> on your computer, since Leawo DVD Cinavia Removal is a module packed in Leawo Prof. Media.

Step 1: Add source DVD content

Kick off Leawo Prof. Media. Click either "Cinavia" menu on the menu bar or "DVD Cinavia" option in the middle to enter the DVD Cinavia Removal module.

On the "Cinavia" module, click the "Add Blu-ray/DVD" drop-down button and then choose "Add from CD-ROM", "Add from folder", or "Add iso file" option to load corresponding source DVD files.

After loading source DVD files, you could load the main movie from source DVD content for backup, select subtitles and audio tracks, determine output DVD type (DVD-5 or DVD-9 at the bottom left corner), play back loaded DVD titles, etc.

Step 2: Complete Cinavia-DVD backup settings

Then, click the big green "Cinavia" button on the sub-menu bar to complete more Cinavia DVD copy settings. There will pop up a sidebar on the right, which includes settings of "Copy to", "Disc Label", "Cinavia settings", and "Save to".

- Copy to: Decide what DVD file type you want to get: DVD Folder, DVD ISO Image File, and/or DVD disc. This setting allows multiple choices. If you want to copy Cinavia DVD content to DVD disc, make sure you have inserted a writable DVD disc into the DVD drive that's connected to your computer.
- **Disc Label**: Give the output DVD file a name.
- Cinavia settings: Check to remove Cinavia watermark from DVD content.
- Save to: Set a hard drive to handle the Cinavia DVD content backup and save the output DVD folder/ISO image file. Make sure you have chosen a hard drive that has enough space. You could view required space here.

Right next to the folder icon O, you could see a clickable drop-down button, which lets you decide how many DVD disc copies you want to create. This is available only when you have chosen to create DVD disc option under the "Copy to" section.

Note: If you haven't activated Leawo DVD Cinavia Removal module, there will be a notice showing you the limitations of free trial version. You could agree the limitations, or try to purchase license and activate Leawo DVD Cinavia Removal module.

Step 3: Start copying Cinavia-DVD content

<u>///</u> Leawo Prof. M	edia 13					🧱 두 🔑 🔅 🕒 🗆	×
